Popular County Assessor Who Should Be Renominated and Re-elected. strong with men of every shade of political opinion. He deserves to be renominated and re-elected.

RE-ELECT SHERIDAN

Popular County Assessor Deserves Well at the Hands of the Voters. His Record Is Good.

One of the most popular public officials in Chicago is Michael K. Sheridan, whose term as county assessor expires this year.

His record is a fine one and his faithfulness to duty certainly entitles him to a re-election at the hands of the voters regardless of party.

A staunch and lifelong Democrat, loyal to his party, his renomination is a certainty at the primary.

He has treated all citizens with fairness regardless of party lines and his devotion to the interests of all the people is known to everybody. A

MICHAEL K. SHERIDAN.

Popular President of the Board of Assessors Who Deserves Re-election as Assessor on His Record.

native American, Mr. Sheridan, who was born in Sterling, Illinois, has lived in Chicago since 1888.

For twenty years he was manager of the shipping department of the big packing plant of Morris & Company at the Stock Yards. In 1912 he was appointed deputy clerk of the Criminal court and was elected member of the Cook county board of assessors in the fall election of that year. In this capacity he served two years as secretary of the board and two years as chairman, and during his entire term his course has been guided by an eye single to the welfare of the public, fair play to the taxpayers duty. He now holds the position of chairman of the board of assessors.

Mr. Sheridan received his education in Sterling, Illinois, where he graduated from the public high schools. He afterwards attended business college and thus equipped he started out to face the world, and in the world's battle has met with great success. Mr. Sheridan is a member of the Knights of Columbus, the Macabees, the Loyal Order of Moose, the Irish Fellowship Club, the Englewood Patriotic League, the Soldiers Relief Society and is an auxiliary member of the State Council of Defense. He is, as we have said, a Democrat from the ground up, and is now Democratic ward committeeman from the Thirty-first ward. He was a member of exemption board No. 72 until January 12, 1918, when Governor Lowden accepted his resignation which Mr. Sheridan was obliged to tender so he could attend to his official duties as member of the board of assessors.

Mr. Sheridan has the distinction of being complimented upon the fact that his board of exemption had not cost the government a single penny for anything while he was a member of that body, as he furnished the clerk-hire, room, light, heat and everything else pertaining to the work.

As stated at the outset, Mr. Sheridan's term expires in the coming fall. He is a candidate, within the lines of the Democratic organization, and if he is nominated for re-election (which is a certainty) he will undoubtedly be re-elected. He is a man of quiet and unassuming ways, and his candidacy is being conducted in a quiet, dignified way. As he says himself: "If the Democratic organization drafts me again for office I shall make the race, and if elected shall serve. If I am not 'drafted' by the party I shall be found working for the regular candidate, and for all the regular candidates on the county ticket."

Michael K. Sheridan is nothing if not a patriot. He has given his time and best efforts to his country ever

since the outbreak of the war. His son, John J. Sheridan, 20 years of age, is enlisted in the aviation section of the United States army.

He should be renominated and re-elected to the board of assessors.
